CHALLENGE

Midwest Holding Inc. was having difficulty finding an Executive Assistant to support the CEO. The combination of their location in Lincoln, NE, a Financial Services background, management skills, and experience with SEC filings meant that traditional job board postings were not bringing in the caliber of candidate they desired.

SOLUTION

We worked with the CEO and the Human Resources Manager to fully understand exactly what they required in an EA who would soon be promoted to Chief of Staff.

RESULTS

Within 30 days, Krista was hired. She served as an EA for 10 years with several executives at a Top 5 US bank in Minneapolis. The Client was thrilled.
